

UIL Clinic Itinerary

Thursday, March 19

Wind Symphony, Honors, & Symphonic Bands

We have hired a wonderful clinician to come out and work with our bands to help us be as prepared as possible for our state evaluation. It is **required** that ALL students attend this rehearsal. Please make arrangements now to be at this important rehearsal. We want our UIL performance to be amazing and this clinic will help us reach that Superior level that we are working so hard for!
